

## Gulf Coast Region SCCA Upcoming Event

SCCA Autocross is a full day affair to give entrants as much seat-time as possible. Please bring snacks/food for lunch since there will be a very short break. Also do not expect to leave the event site before 4:30 pm. Please have at least 1/3 tank of fuel. There will not be time to leave the event site for food or fuel. The SCCA Autocross format is that if you drive you also must work so that the people who worked while you drove can drive and have enough workers to work the course safely. Asking to leave early that day should be ONLY under extenuating (i.e. emergency) circumstances and inconveniences everyone else by causing an event delay.

### Online Preregistration
