

Gulf Coast Region SCCA Upcoming Events

SCCA Autocross is a full day affair in order to give entrants as much seat-time as possible. Please bring snacks/food for lunch since there will be a very short break. Also do not expect to leave the event site before 5:30pm. Please have at least 1/3 tank of fuel. There will not be time to leave the event site for food or fuel.

The SCCA Autocross format is that if you drive you also must work so that the people who worked while you drove can drive and have sufficient workers to work the course safely. Showing up the morning of the event and asking to leave really early that day should be ONLY under extenuating circumstances.
